Navigating Theology: Immortality, Eternity, and Doctrinal Unity

Creation & Human Immortality

Whole Soul Identity

Soul is integrated body and spirit, avoiding Greek dualism

Conditional Immortality

Human pre-fall immortality depended upon God's provision

Greek Dualism

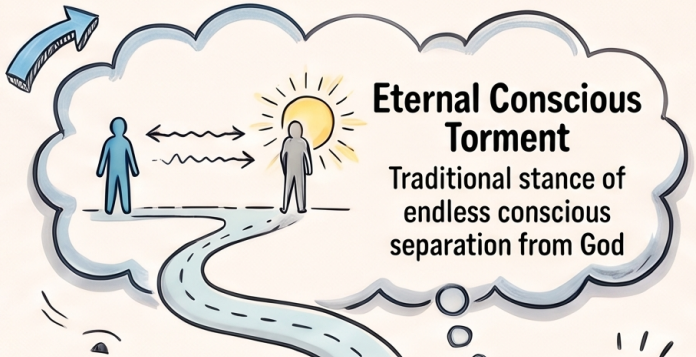

Christ

"God Alone Immortal"

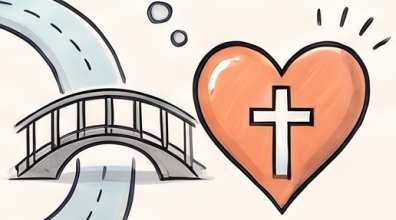

1 Timothy 6:16 states Christ alone possesses intrinsic immortality.

Perspectives on the Future State

Eternal Conscious Torment

Traditional stance of endless conscious separation from God

Non-Salvational Debate

Differing interpretations of hell do not alter gospel grace.

Annihilationism Perspective

View that non-believers perish and ultimately cease existing.

Doctrinal Tiers & Church Unity

Die-For Doctrines

Essential truths like Christ's resurrection requiring Christian unity

Debate-For Issues

Secondary theological interpretations permitting respectful disagreement

Theology to Worship

All biblical study must ultimately inspire praise and love.
