

# Experiencing the Presence of God

Intentional, Relational & Spiritual

***Why should you want to experience God's presence?***

***In what ways do you currently experience the presence of God in your life?***

***How does practicing spiritual disciplines help you experience God's presence?***

Spiritual disciplines that enable you to experience God's presence:

Prayer	Reading Scripture	Studying Scripture	Memorizing Scripture
Worship	Fasting	Silence	Solitude
Simplicity	Journaling	Celebration	Fellowship

*“Spiritual disciplines are activities in our power that we engage in to enable us to do what we cannot do by direct effort. The singing of hymns, for example, is a major spiritual discipline.” - Dallas Willard*
