## INTRODUCING OUR CHURCH APP!

Our new app will help you stay connected with the day-to-day life of our church. With this app you can: watch or listen to past messages; stay up to date with push notifications; share your favorite messages via Twitter, Facebook, or email; and download messages for offline listening.

- Once you download the app, please make sure to enable notifications.
- Tap on the "Person" icon in the upper right to create an account.
- Tap the icon with the two chat bubbles in the upper right and then tap Discover. Request to join the Prayer Room. This will take the place of the phone/email/text prayer notifications systems we have been using.
- Fast, secure online giving is also available in the app. We encourage you to try it out and set up a recurring gift. Your gifts support the ongoing ministries and operations of our church. Thank you!
- More features are planned as future additions.
- If you have any difficulties downloading or setting up your app, please do not hesitate to contact the church office.
- Our website will soon be redesigned to reflect the features in our app.
