**“God can use a crooked stick
to draw a straight line.”**

~ Martin Luther, German Reformer ~

A close-up photograph of a hand holding a sword. The hand is dark-skinned and appears to be in pain or exertion, with visible redness and blood on the palm and fingers. The sword is held vertically, with the blade pointing downwards. The blade is dark and has a significant amount of blood smeared on it. The background is a cloudy sky with a bright light source, possibly the sun, creating a dramatic, high-contrast scene. The overall mood is intense and somber.

SAMSON

MERCY

and

Grace

A crooked stick can
still draw a straight line,
and a messed-up
dude like me can still
write about an
awesome God.
