Section 1 Key's to Preventing the Spread of COVID-19

Do all the good you can because every life matters

General COVIDSafe Guidelines for All Congregations

Do all the good you can because every life matters

- You have the mildest of symptoms
- People you live with have symptoms
- You are waiting for COVID test results
- You have been in close contact with a known COVID positive case

2. Entry into the Wesley Centre

- Only through the front doors on Pitt Street.
- In order to ensure that everyone checks in there will be no entry through the car park lifts until further notice.
- The lifts will be operating between Lower Ground, Ground and Level 3 floors.
- People will be able to validate their own parking tickets at the front door.

2. Maintaining Social Distancing

- We are required to maintain a distance of 1.5 meters from others.
- Families and people who share a house can sit together – others must have 1.5 distance between them.
- For other congregations/service locations please check with your pastor.
- There is to be no hand shakes, hugging or kissing.

3. Everyone to sign in with Service NSW app

- Before entering the building, every person will need to sign in with the Service NSW app.
- Those who don't have a smart phone will need an usher to sign them in using their smart phone.
- Phones will be checked upon entry of the ministry location e.g. theatre or school hall.

 Increase indoor ventilation if possible by opening doors and windows.

- Hand sanitizers will be made available at all entrances and throughout our ministry centres.
- Ministry leaders are to encourage everyone to wash/sanitize their hands upon entry and regularly as required.

6. Cleaning of Surfaces and Equipment

- Clean surfaces before and after use
 e.g.:
 - mics
 - toys
 - buttons
 - tables
 - pens etc.
- Cleaning performed safely:
 - clean hands before and after
 - dispose of cleaning agents used including gloves.

7. Encourage good respiratory etiquette

- Face masks are mandatory for every person over the age of 12 who is able to wear a face mask to do so.
- Facemasks can only be removed by people leading from the front.
- Remind people to sneeze or cough into their elbows or tissues and wash hands immediately following.

8. Congregational Singing

- Only vaccinated people will be able to sing with a mask on until NSW reaches 95% vaccination rate.
- Signs will be displayed at the doors advising non-vaccinated people about the restrictions around singing.
- All singers leading from the front must be fully vaccinated and have 1.5 meters spacing between them.

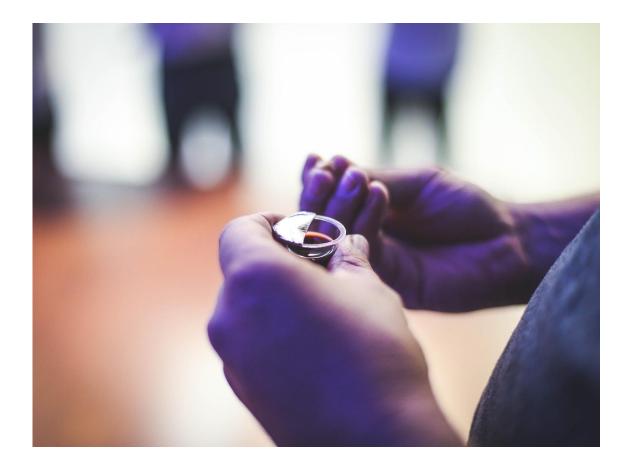

The following signs are to be displayed near the meeting room:

- COVIDSafe plan
- Number of people that can be in the space 2sqm
- Safety precautions
- Entry and exits
- Seating signs

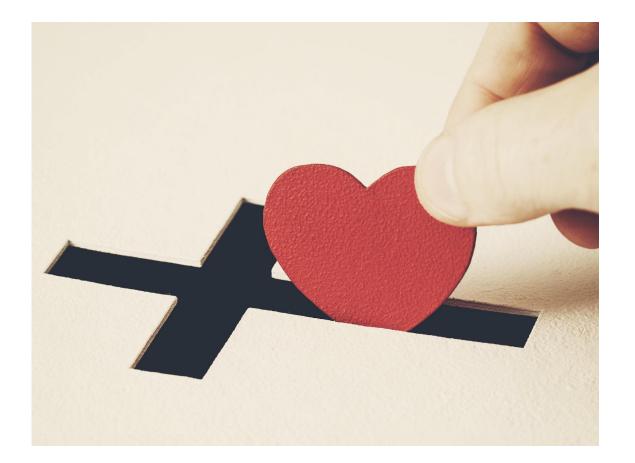

- Individual communion packs will be given to each attendee as they enter the place of worship.
- Tongs will be used to hand out the communion elements
- Everyone will be asked to hold onto the containers and dispose of them following the service.

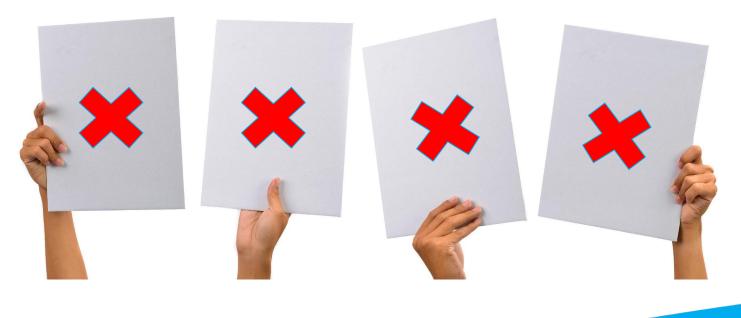

• Offering boxes will be available as people leave the worship location.

 No printed material will be handed out during or following the service.

- All food must be prepared according to food health stands.
- Food will be served, no self-service. Food handed out or pre-served on places for people to pick up from tables.
- Servers are to use masks, gloves and/or tongs.
- Hand sanitiser provided in morning tea serving areas.
- Tables arranged to allow smooth foot traffic. One point to pick up food, cutlery etc.
- Food served with single use plates and cultery.

COVIDSafe Teams will be responsible for ensuring that members are kept safe through infection control practices.

Each team will have a **COVIDSafe Team Leader** who will coordinate and oversee team activities.

COVIDSafe team members will be responsible for:

- Ensuring attendees comply with church and government COVIDSafe regulations
- Ensuring attendees sign in using the Service NSW app
- Ensuring that surfaces are cleaned and sanitized regularly
- Providing hand sanitizer
- · Assisting with the safe movement of people
- Assisting with contactless distribution of communion elements and collection of offerings
- Providing guidance and direction to attendees

- Both the WIC City and Ryde services will be live-streamed at 10:00am so people can watch them while they are occurring and feel part of the family.

Section 2 What happens if we have a COVID Positive Case in a Ministry Setting?

Do all the good you can because every life matters

- 1. Notify your Pastor immediately.
- 2. Your Pastor or Elder will report and document the incident in the Wesley Mission Critical Incident Reporting.
- 3. An incident management team will manage the incident by:
 - Identifying close and casual contacts and advise them to isolate immediately
 - Notify any other key stakeholders that could be impacted including congregations, Wesley Conference Centre and Upperroom
 - Initiate deep cleaning
 - Determine and inform stakeholders when the space can be used again.

In short, your role will be to advise your Pastor that there has been a COVID positive case within the ministry setting.
