

THE FIRM AND TRUE GOSPEL | GALATIANS 1:6-10

The believing of false teaching is due to a number of things, but each reason is characterized by a twisting of a Gospel understanding

How often do we twist the Gospel in our own lives so that it equals our comfort

To Him be the glory forever and ever. Amen.

We can only fulfill our created purpose with a clear understanding of the Gospel

They turned because they let the world define the Gospel and their obedience

As believers, we must stand firm and only on the Gospel.

Not that there is another Gospel

When we are firm in the Gospel, we don't waver at what is not true.

The Gospel must have high priority because it has high stakes.

To be a servant of Christ will be displeasing to the world.

While the Gospel is a bold message, it also requires a humbleness & meekness to its approach

Do you know the Gospel?

Can you defend the Gospel?

May the Gospel be our shield and our sword
