

The Fruit of Faithfulness

Daniel 6

1. God has a plan for you, and it involves where you are right now
2. Choosing Christ is choosing to live for God in all circumstances
3. God is faithful to rescue those who belong to Him
4. The foundation of our faith and trust is the redemption of Christ- God's rescue plan
5. You don't need signs to be able to trust in God, you only need Jesus.

Our goal is to bring God glory by living faithful to the one who has saved us.

The only right side of history is on the side of the one who stands for eternity- the Lord.

The Fruit of Faithfulness:

1. Praise and glory of the watching world
2. An increased faith and commitment
