

Eternal life hinges on your love for God is evidenced in your love for Jesus.

Your relationship with God is evidenced by the way you love others.

- 1. Your love for one another is testimony of your salvation.**
- 2. Loving your neighbor is testimony of the change Christ has made in your life**

Loving our neighbors requires three things:

- 1. Compassion for others rather than concern for yourself**
- 2. Humility because it comes at great cost to yourself**
- 3. Commitment because it is modeled after the love God has for us**

Christianity is not compartmentalized religion, it's the religion of those who give their entire lives to God.
