

Redeemer- God's plan and purpose for your life.
Exodus 14:1-15:21

God's plan for your life unfolds according to His purpose, and His glory is His purpose.

God works according to His purpose without revealing every detail of His plans.

God accomplishes His purpose through His plan according to His presence and power.

God's presence with Israel was displayed by His power over the Egyptians.

Doubt is revealed through fear, and fear is evidenced by the desire to control.

Faith is revealed through obedience and brings God glory.

God doesn't promise Google or Apple Maps style directions for your life.

God with you is better than a detailed map of His plan for your life.

Jesus delivered us from sin and death through a plan that seemed like it was going to fail.

Following Jesus means pursuing God's plans by faith, not by sight.

Living by faith requires uncompromising obedience to the Word over the plans and preferences of men.

Living by faith is the path to having something to sing about!

What song can you write of God's presence and power at work in your life?

God's plan for your life unfolds according to His purpose, and His glory is His purpose.
