What does God accept and why?

1. God, as revealed in the OT and NT, is the only true God.
2. God is holy and we are not.
3. God accepts worship that is done in Spirit and in Truth.
4. Jesus is the Way, the Truth, and the Life and there is no other way to God other than Him.

What does this mean for Christianity, Judaism, and Islam?

1. Islam teaches that righteousness can be achieved through works, but that Allah may reject those works, and does not depend on the grace of God by faith in Jesus.
2. Judaism rejects Jesus as the Messiah and the gospel of salvation by grace through faith in Him.
3. Christianity is founded on the gospel of Jesus Christ and that salvation is by grace through faith, not by works.

Why is there only one way to God?

"The question we should be asking if we are really concerned about God's ways, is not "Why is there only one way to God?" but "Why is there any way at all? How is it that God would be so merciful as to grant us repentance after we have repeatedly rebelled against His authority and His majesty?" That is the real question."

Why is there any way to God at all?

The way of salvation by faith in Christ flows from the mercy, grace, and love of God.

True or **False**: God accepts the worship of all religions, including Christianity, Judaism, and Islam.

God loves sinners and has graciously made a way for all who believe and trust in Him to be saved by faith in Jesus Christ.
