

## Light in the Dark: Peace, Isaiah 9:1-7

According to the prophets peace will come through the birth of a baby.

According to the angels, Jesus Himself, and the Bible; Jesus is the promised child

Jesus is the Prince Of Peace

1. The peace Jesus gives is the result of victory over sin and death.
2. The peace Jesus gives is full, complete, and eternal.

The peace of Christ is present in the church

The church is an ambassador of peace to the world

You can have peace today.
