

There's No Place Like Home
1 Kings 8:1-30

Only in God's presence are we truly at home.

1. In God's presence we are under His reign.

God reigns over us by His Word.

"Though Yahweh does not show Himself in a totally transparent way, He has made His will clear in the tablets of stone... We cannot know Him exhaustively, [but] we can know Him adequately."
— Dale Ralph Davis

2. In God's presence we are recipients of His promise.

When God draws us into His presence through our faith in Christ, we receive forgiveness, rest, peace, and courage.

3. In God's presence we are renewed in hope.
