

Wisdom and Foolishness are matters of the heart

Foolishness is sin

“Fools show how stupid sin is. The full-blown sinner is not just evil. He’s an idiot.” - John Piper

A fool is someone who lives without regard for what God has said.

Functional foolishness characterizes a useless faith.

Foolishness (sin) contaminates the whole

At least 5 different situations in which foolishness is visible:

1. Lack of self control
2. Listening to the wrong people and making the wrong decisions
3. Presumption and lack of preparation
4. Empty and Vain Talking
5. Selfish and Incompetent Leadership

Wisdom guides you toward righteousness

Wisdom is a gift from God given to those who have faith

Wisdom is not a matter of age, but of obedience.

Wisdom results in Christ-like and Christ-honoring living

5 Characteristics of a Christ-like and Christ-honoring life:

1. Self Control
2. Obeying the Word and making righteous decisions
3. Priorities and preparation
4. Gracious and Truthful Conversations
5. Humility and Loving your neighbor
