

1 John 4:1-12

Nothing is \_\_\_\_\_. Everything and everyone is either for God or against God.

Everything from God is centered on what the \_\_\_\_\_ says about who Jesus is, what Jesus did, and what Jesus said.

Everything that rejects \_\_\_\_\_ of what the Bible says about who Jesus is, what Jesus did, and what Jesus said is opposed to God.

People belong to \_\_\_\_\_ camps, those who listen and follow God and those who don't.

Listening equals \_\_\_\_\_.

Doing what God says begins and ends with \_\_\_\_\_ the way God loves

Selfless and \_\_\_\_\_ love for God and His people is a defining \_\_\_\_\_ of those who follow Jesus.

Jesus defines what love for God, and love for others, looks like. Anything less than what Jesus said and did isn't the \_\_\_\_\_.

Followers of Jesus \_\_\_\_\_ the ways of the world for the \_\_\_\_\_ of Jesus.
