

Recap of previous message from Ephesians 4:17-24.

1. Christianity isn't about following a set of religious rules, it's about following a person!
2. Following Jesus involves learning Jesus, from Jesus, to live like Jesus.
3. The new life we are learning from Jesus prioritizes what goes into our heads in an effort to practice what Jesus says with our hearts and with our hands.
4. Renewing your mind requires time with the Lord, and time with the Lord requires time, silence, and solitude.

"If the churches came to understand that the greatest threat to faith today is not hedonism but distraction, perhaps they might begin to appeal anew to a frazzled digital generation." - Andrew Sullivan

Sermon: Living like Jesus, Ephesians 4:25-5:14

Living like Jesus involves a dramatic transformation

God has loved you to life!

Salvation is seismic

This dramatic shift changes the direction and goals of our lives from selfish to surrendered.

The dramatic shift is not just personal, it is relational.

Shift from personal selfish motivations in your relationships to selfless acts of grace toward others.

Three Action Steps This Week:

1. Daily put yourself in a posture of surrender by spending time with the Lord in prayer and in the Word.
2. Think and plan your day around what is most important: your relationship with God and others.
3. Be intentional with your acts of grace toward others.
