

God's eternal plan pt. 2
Ephesians 1:3-14

Every spiritual blessing we enjoy comes to us through the Lord Jesus Christ alone.

God's purpose and plans are eternal and fulfilled in Jesus Christ.

1. God's purpose and plans were before creation and extended beyond the end of creation.
2. God has revealed the mystery of His purpose and will: to bring all things together in Christ.

God's eternal purpose and plans in Christ are a people who persevere and give him praise!

God's people are unified in Christ and by the Holy Spirit.

There is no such thing as a "their" church; there is only His church.

1. We become God's people according to his purpose and his will.
2. We become God's people through hearing of the Word of truth, the gospel.
3. We become God's people by believing in Jesus Christ.
4. God's people are sealed and secured by the Holy Spirit.

God's people are sealed by the Holy Spirit and persevere in their faith.

God's people are saved and sanctified to the praise of God's glory.

Applying this to your life:

1. Believe in the gospel of Jesus Christ and surrender your life to Him.
2. Praise God with your life.
3. Find your comfort and security in God, not the world or the people around us.
