

Jesus > Everything.

Saints are sinners saved by grace

Saints are called to live in the grace of God

Living worthy means that your life matches up with the statement: Jesus > Everything

Saints persevere to the end by grace of God

Saints aren't perfect, but they do persevere and live a life marked by faith and repentance

A few questions for you to consider:

Are you a sinner or a saint?

Will you repent or resist?

Paul had heard of the Colossians faith and faithfulness, what could someone say about your faith?

Jesus > Everything
