

CHAPTER AND VERSE

1 SAMUEL 9-10

Providence of God

- Latin – “providentia”
- Pro – Before, Forward
- Videre – To see
- To see the video in advance

The providence of God is His continuous, active, and wise rule over the universe, whereby He preserves His creation, cooperates with natural and human actions, and directs all things to fulfill His holy purpose.

God works in, with, and through the ordinary choices of humans, natural laws, and spiritual forces to accomplish His will.
