**Sermon Summary**

As we conclude the Healthy Church::Unhealthy World series, we focus on the Mission of the church. Healthy Churches recognize the world is unhealthy and work to connect people to life in Jesus. Healthy churches make healthy disciples and healthy disciples make healthy churches. Healthy churches handle conflict biblically and build strong marriages. Healthy churches worship with expectation and give faithfully and abundantly. Healthy churches love everyone always and are filled with servants. There are no healthy churches without healthy disciples. Healthy churches fulfill their mission by making healthy disciples.

**How do we know the mission is making disciples?**

*And Jesus came and said to them, "All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."* **Matthew 28:18-20**

*And Jesus went throughout all the cities and villages, teaching in their synagogues and proclaiming the gospel of the kingdom and healing every disease and every affliction. When he saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, "The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."* **Matthew 9:35-38**
