DISCUSSION QUESTIONS

1. If you have never shared each other's story with the group, take some time to do that. Maybe one or two per/week?
2. Knowing the end of our (all Christians) story (glorification - perfectly like Jesus, eternal life...), how should that affect our day by day lives?

Read Romans 8:28-30
3. Why do we love God? (v.28... 1John 4:19)
-do you think you would or could love God if He did not initiate?
4. Are the acts of God in v.30 (predestined, called, justified and glorified) difficult for you to understand and/or accept? If so, why? If not, why?
5. How does v.30 give us assurance and security in our salvation? Do you ever struggle with your assurance of salvation? Why or why not?
6. Are you looking forward to heaven? Why? Do you think of heaven often?

SCRIPTURE

Romans 8:28-30

28 And we know that for those who love God all things work together for good,[a] for those who are called according to his purpose. **29** For those whom he foreknew he also predestined to be conformed to the image of his Son, in order that he might be the firstborn among many brothers. **30** And those whom he predestined he also called, and those whom he called he also justified, and those whom he justified he also glorified.
