

DISCUSSION GUIDE

Gospel Communities 12/12/21

Begin by checking in with each person in the group. Ask each to share where they are at right now - physically, spiritually, and emotionally.

Read Isaiah 9:1-7

1. If an unsaved person asked you “what does advent mean?” How would you answer, and answer in a way that leads you to sharing the gospel with them?

-This would be a good time to share if there is someone you would love to share the gospel with this advent season. Pray about everyone in the group making this advent season a time to share the good news!

2. How does Jesus make a difference in your day to day living? What can you do to make His presence and His power effective in your life each day?

3. Tony said that a Hebrew understanding of the root word translated “government” in vs.6 means to provide for, to protect and to nurture.

-Do you sense Jesus being this and doing this for you? How? If not, why do you think that is?

-Are there areas in your life, right now, where you need Christ’s provision, protection and/or nurture? Would you be willing to share?

-Spend time praying over these needs and for each other
