

# DISCUSSION GUIDE

Gospel Communities 4/17/22

**1. Why do you think so many people do not believe in the resurrection of Christ?**

**2. In his sermon, Tony said that the resurrection of Christ is what “shapes reality for living the Christian life.”**

- What do you think he meant by that?**
- How does the resurrection of Christ shape your reality?**

**3. The disciples, along with the ladies who were present, were troubled, sad and confused by the empty tomb. They didn't understand**

- Share about some times when you have felt this way - troubled, sad, confused and not understanding**
- Are you in one of these seasons now?**
- How can seeing the story of the disciples and the ladies help you during these times?**

**Pray together around the things discussed and the things going on in each other's lives.**
