

# DISCUSSION GUIDE

Gospel Communities 1/9/22'

1. How did you feed your soul this week? What was that like?
2. How did you feed others this week? What was that like?
3. How did you feed your flesh this week? Zero condemnation here, both from us as a group and from Jesus our Lord (Romans 8:1).
4. What is God teaching you right now? Can you show us in scripture what it is? If you can't think of anything, can you share what is an important verse or portion of scripture to you? Explain.
5. How can we specifically pray for you? When we think of you, this is how we will pray, so what would you want us to be praying?

End your time together praying. Ask if everyone will pray (even if just a sentence) and then close in prayer.
