

DISCUSSION GUIDE

Gospel Communities 3/6/22

Starter: Ask everyone to share what it is that they are looking forward to.

Read Revelation 21:1-8

1. Did you know about the new heavens and new earth? Do you believe that this is the true, coming reality?
2. Knowing about Revelation 21 and trusting that Revelation 21 as truth are two different positions. Where would you say you are at?
3. How does belief that God is going to "make all things new" affect you today? How would this affect you in your suffering? In great times?
4. Read through Revelation 21:1-7 again. What about this do you most look forward to?
5. The thirsty conquerers are the ones who will have the inheritance of the new earth. Describe in your own words what Jesus meant when he said this in verse 6 & 7. (hint: John 4:7-15).
6. Discuss the question Peter asked, "What sort of people ought you to be?" in light of the coming new heavens and new earth.

Pray: Spend time praying for one another and for those who you know who are not in the faith.
