### Kingdom Clarity.

Last month, we devoted, prayed, studied, and meditated on Self Confidence. What did you discover? Are you lost? The goal is to "distinguish between what is sacred and what is common. (Leviticus 10:10)" Do you need assistance to uncover what God thinks on last month's subject? Click to request help. For this month, during your private devotion, the subject let's study God's thoughts on **Positivity**. As always, we are here to help you study. Reach out if you need to.

### I'm saved. Now what?

What are your next steps now that you are a part of God's family? This month's step is hearing. Hearing is something most take for granted and is often misunderstood. Hearing is more than the openings on the sides of our head that converts sound waves into electrical energy. Hearing in the bible is literally a call to action. Anytime the bible mentions hearing or take heed, the writer is expecting a response from us. As a new son or daughter of God, know that your Father will speak to you. When He speaks, He will expect you to act. Enjoy your study!

### Your Father

You can never read or study too much on any matter. Dedicate some time every day to mutter (say it out loud over and over) the scriptures below. Then pray to God for guidance, conviction, and, if needed, correction.

Psalm 103:13   Ephesians 6:4  
Proverbs 20:7   Colossians 3:21  
Proverbs 4:1-9  
3 John 1:4   Psalm 127:3-5

## Happy "Other" Father's Day.

Life Changing Word recognizes those who are fathers or father figures in varied capacities. Those who struggle with infertility. Those who have lost children! Those who have, by choice or circumstance, not yet had children. You men who move heavy furniture, put together doll houses, fix cars, and teach kids how to ride their bicycles. Maybe you are a fur-dad and just want to spoil a puppy, a kitten, or whatever you daddy. We celebrate you, today! Today is for you, too! Your work is not in vain or ignored! More importantly, God sees you!

the Spirit

~It's Prayer Time~

Our great King commands us to "be unceasing and persistent in prayer;" (1 Thessalonians 5:17 AMP). Kingdom Chronicles offers assistance. Just in case you struggle to pray regularly or you operate at a highly disciplined level of Intercession, Our [prayer circle](#) has some specific prayer points for you present to God on behalf of others.

# You've Got Mail, Dad!

Dear dad,

As the Son of God, I know My Father's desire for obedience. As I walked on this earth, I did everything I could to show Him how much I love Him by obeying His every Word.

As a father, you have a beautiful opportunity to model obedience to your children with your obedience to God.

Yes, God has given you most of the responsibility in His divine family structure. But, He gave you no more than you are able to do. You are provider. You are protector. You are to bring your children up in the nurture and admonition of the Lord. By providing a safe emotional environment, you instill healthy emotional expression. You are teaching your sons how to grow in to men of God. You are teaching your daughters what to expect from the men they choose as women of God.

Do not be afraid to seek the Kingdom of God and Its righteousness. He has planted within you everything you need to succeed as a father. Holy Spirit will comfort and guide you. Remember, I am with you always.

I got you,  
Jesus
