- Make sure you are operating where you're supposed to be. (Romans 12:6-8)
- Just because God is our protector, doesn't mean we won't go through things.
- When we go through trying seasons, it not only reveals Him to us, but it reveals us to Him.

Get Some Understanding About God

Scripture

Genesis 17:1-4a

 - I have all I need in God, He is all I need.
- Our walk has to be correct so that we can experience more of Him.
 - When I'm praising the Lord, having a mindset of prosperity, thankful in all situations, praying, yielding to His will, etc, I'm in the right location.
- God makes and keeps His covenants with His people. What is a covenant?
 - In the Bible, a covenant is a binding agreement, a sacred pact, or a solemn promise between God and humanity, or between individuals. These covenants establish relationships, outline expectations, and often involve promises, conditions, and consequences. Covenants are central to understanding God's plan of redemption and His relationship with His people throughout biblical history.
