»»» KEY THOUGHT

Most people experience stress and fear of not having enough. Not enough time, money, food, friends, influence, success or accomplishments, talent, not good looking enough, not a good enough mom or dad, etc. Yet God has no issue with our “Not Enough”. He receives our not enough and makes it more than enough. His plan is and has always been that anyone who comes to him will inherit such an abundance of life that we can give it away and never run out! The Legacy of great people will seldom be tied to what they accumulated, but rather in what they gave away.
