

What's Happening at MACC

We encourage you to take full advantage of our experienced, vetted and background-checked caregivers and leaders in our nursery and preschool, so that you can fully engage in worship and growth during your hour here. Ask any one of our Children's Ministry volunteers for a tour to check us out! But we get it if you're not comfortable leaving your child just yet. That's why we have a room, in the back of the sanctuary on the right side (left side, if your back is to the stage) with soft lighting, comfy seating, a window to the sanctuary and a sound system, so you and your little ones can still be with us, and they can preach along with the pastor to their heart's content - without anyone around giving them the side-eye.

MACC MINISTRIES

Discipleship Class - If you are interested in continuing or deepening your level of discipleship, Pastor Bill will be starting a spring small group (this class will run for eight weeks) Sunday mornings in Room 270 (upstairs past the elevator) during second service, focusing on how to read the Bible and how to see the gospel story in your everyday life. If you're interested, contact Pastor Bill for more information.

MACC Life Groups - Are you in a Life Group yet? These small gatherings are the heartbeat of MACC and will get you feeling connected on a whole new level. For more information, contact Pastor Lew (Lew@themacc.org).

New Members Class - New at MACC and wonder what's next? Join us **TODAY** from 1 to 3:00 pm. You will have time with the pastors and hear the details of MACC's history, doctrine, and ministry goals. It is a great place for you to find out more about MACC and meet other new people. We will be sharing what it takes to become a member. Childcare and lunch will be provided. To sign-up, please email office@themacc.org.

MACC Women's Ministry - Come join us tomorrow evening, February 1st at 6:30 pm for our annual Don't Hog Your Journey event! Three powerful testimonies from three of our fellow sisters in Christ. Laughter, fellowship, a fun fajita bar and dessert. Stop by our table Sunday mornings to register for \$10.

MACC MISSIONS/OUTREACH

Crofton Food Pantry - MACC is collecting soup (cans, cups or dry mix) for the month of February. Please drop your items in the bin located in our lobby any Sunday, or weekdays 9-5.

ALL I Really Need to Know I Learned From Noah's Ark

1. Don't miss the boat.
2. Don't forget that we're all in the same boat.
3. Plan ahead. It wasn't raining when Noah built the ark.
4. Sta fit. When you're 600 years old, someone might ask you to do something really big.
5. Don't listen to critics, just get on with what has to be done.
6. Build your future on high ground.
7. For safety's sake, travel in pairs.
8. Speed isn't always an advantage; the snails were on board with the cheetahs.
9. When you're stressed, float while.
10. Remember the ark was built by amateurs and the Titanic was built by professionals.
11. Remember that woodpeckers inside are a larger threat than the storm outside.
12. No matter the storm, when you're with God, there's a rainbow waiting.
