Nothing But The Truth!

Kingdom Thesis:

Jesus is the Truth, and His Word works
freedom.

Nothing But The Truth!

1. **The Word Makes Us Conscious of the Truth** - John 8: 31 - 33

Kingdom Principle

The Word cannot rebuild the life we keep pretending is not broken.

2. **We Must Continue in the Truth of the Word** - John 8: 31 - 32

Kingdom Principle

What we continue in will eventually construct who we become.

3. **We Must Cognize the Truth and Receive the Freedom of the Son** - John 8: 32 - 36

Kingdom Principle

Truth reveals our bondage, but the Son releases us from its power.
