ROADMAP TO MORE

## BIG IDEA

Last week we learned that God owns everything and we get to be good stewards of His stuff, including money, relationships, time, and our things. It's not bad to want more, but it's the drive for MORE coupled with the NEED for NOW that gets us into trouble. The roadmap to more involves hard work and planning and it's worth all the effort to be out of bondage to debt and content with what we have.

## SCRIPTURES USED IN THE MESSAGE

- Psalm 24:1
- Matthew 25:29
- Proverbs 21:5
- Luke 14:28
- Proverbs 22:7
- Isaiah 28:29
- Philippians 4:11-12
- Matthew 25:19-21

## TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What was the last show you binge-watched and how did you feel when you ran out of episodes?
- When have you experienced what Proverbs 21:5 warns us about?
- What is your personal first step on the roadmap to more?

## APPLICATION IDEAS

- List your next step on the roadmap to more and ask a trusted person to check in with you once/week on how you're doing. Better yet, you contact them and share the ups and downs. Pray together for your journey before the conversation ends.
- Sign up for a Kingdom Living class.

## PRAYER FOCUS

At Crossroads, we pray believing God hears and answers us. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Before you leave the group meeting, pray for one another regarding the next steps they've identified.
- Start asking God who you will invite to the At the Movies series that starts later this month. Also include them in your small group to discuss it afterwards.

## LEADER TIPS

- Prepare one or two of your group members to co-lead the at the movies series with you.
- Think about a second space in your home to use for half the group in case your group outgrows one space. That way if you need to divide into discussion groups, you'll be ready.
