

I'VE GOT THE POWER

3.22.2020

BIG IDEA

In this unprecedented time, we need to know we are seen and loved by God. We also need to take hold of what He offers us: power (over fear), love (that risks for others), and a sound mind (self-controlled).

SCRIPTURES USED IN THE MESSAGE

- Matthew 10:29-31
- 2 Timothy 1:7

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- How does knowing God sees you and knows everything about you bring comfort in this season?
- How can we practically apply 2 Timothy 1:7 in our lives day by day?

APPLICATION IDEAS

- Look for ways to show agape love to people in your neighborhoods and workplaces. Don't let fear keep you from taking action.

PRAYER FOCUS

At Crossroads, we pray believing God hears and answers us. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray daily for those who are risking their lives to work on our behalf - medical teams, first responders, essential workers in every area, farmers, grocery store staff, etc.
- Pray for those who own small businesses affected negatively by what is happening. Ask God to give them creative ways to build business.

LEADER TIPS

- Practice with your online tool before the meeting. Ask for help from your Hub Leader or someone in your group.
- Make contact with your group regularly. Use a group text, Facebook group or WhatsApp chat or some other way to have interaction through the week.
