Do not be afraid; only believe. – Mark 5:36 (NIV)

1. Jesus tells Jarius to do two things: don't be afraid and _____.
2. Even when faced with death, Jesus wants us to have hope and _____.
3. Some species of caterpillars stay in their cocoon for up to _____ years.
4. Neurodivergent is a difference in mental or _____ function from what is considered typical or normal.
5. _____ is the opposite of _____.
6. A learning difference is the unique and individual ways in which some people process new _____, meaning they experience challenges with organization, memory, or attention, especially in academics, such as reading, writing, and math.

Questions for Reflection

1. Think back in your life to a transformative time. Where did you see God at work?
2. What is something you're holding onto that could be the conduit for metamorphosis if you released it to die?
3. What chrysalis phases have you had in your life and how has your faith and belief gotten you through it?
