Proverbs 3: 5-6

What You Heard *In the Word*

- God gave Isaac and Rebekah twin boys. God said that the older twin would serve the younger.
- Esau, the older twin, didn't care about his birthright and sold it to Jacob for a bowl of stew.

OutWord *For Family Discussion*

Suppose your friend says, "My parents won't get me a new smartphone, so I'm saving all my money to get one for myself. I'm not getting gifts for my family's birthdays or giving money to the church until I get a phone. My grandparents already gave me some money because I told them I needed a new one with more features to handle an emergency." **What could you say?**

I understand that you want to get a new phone, but you already have one that works, even in an emergency. There are other things that are more important than the latest technology, which gets outdated and eventually breaks. Caring for your family and church and being honest with your grandparents pleases the Lord—and that's something that lasts forever.

Justin & Jessie

"Justin, guess what!" Jessie said as Justin let her in the back door. "My mom said we're all going to Papa's Pizza Palace for dinner tonight."

"I love Papa's Pizza Palace!" Justin replied.

Justin and Jessie are excited for pizza, but they're hungry now! Will they wait for their parents or take care of their hunger their own way? Find out what happens in "Snack Cakes & Stomachaches."
