

Twelve Sons Hide and Seek

Materials

- ☐ Pictures of Jacob's sons (following pages)
- ☐ Optional: crayons, craft sticks, glue or tape

Instructions

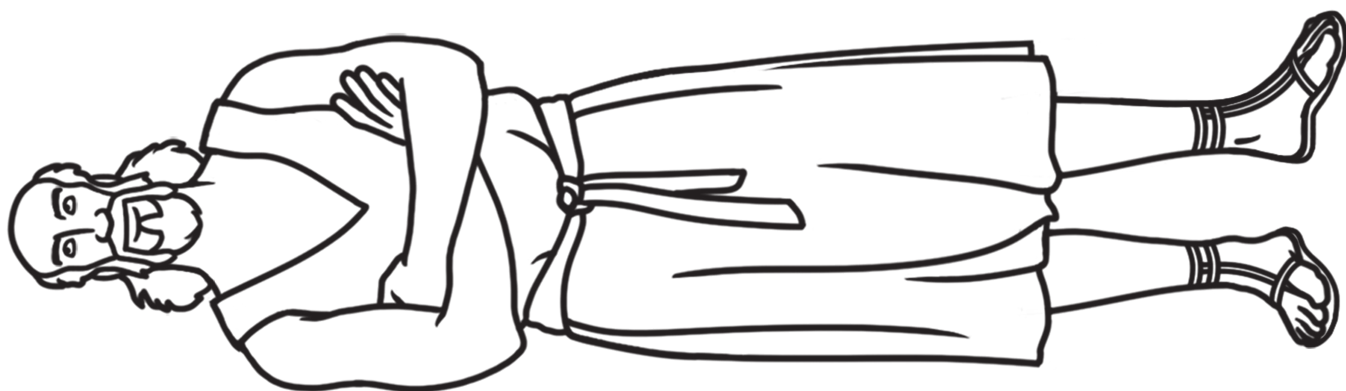

Print and cut out at least one of each of the pictures of Jacob's sons, enough so each student will be able to find one. Hide each picture around the classroom. Allow students to search for the pictures. You may want to repeat this activity or do one of the options below.

Option 1: have students seek and find one picture and color it.

Option 2: have students seek and find one picture, color it, and glue or tape it to a craft stick to make a puppet. Have students hold up their puppets while singing the "Twelve Sons of Jacob" song.
