

# Magnifiers Craft

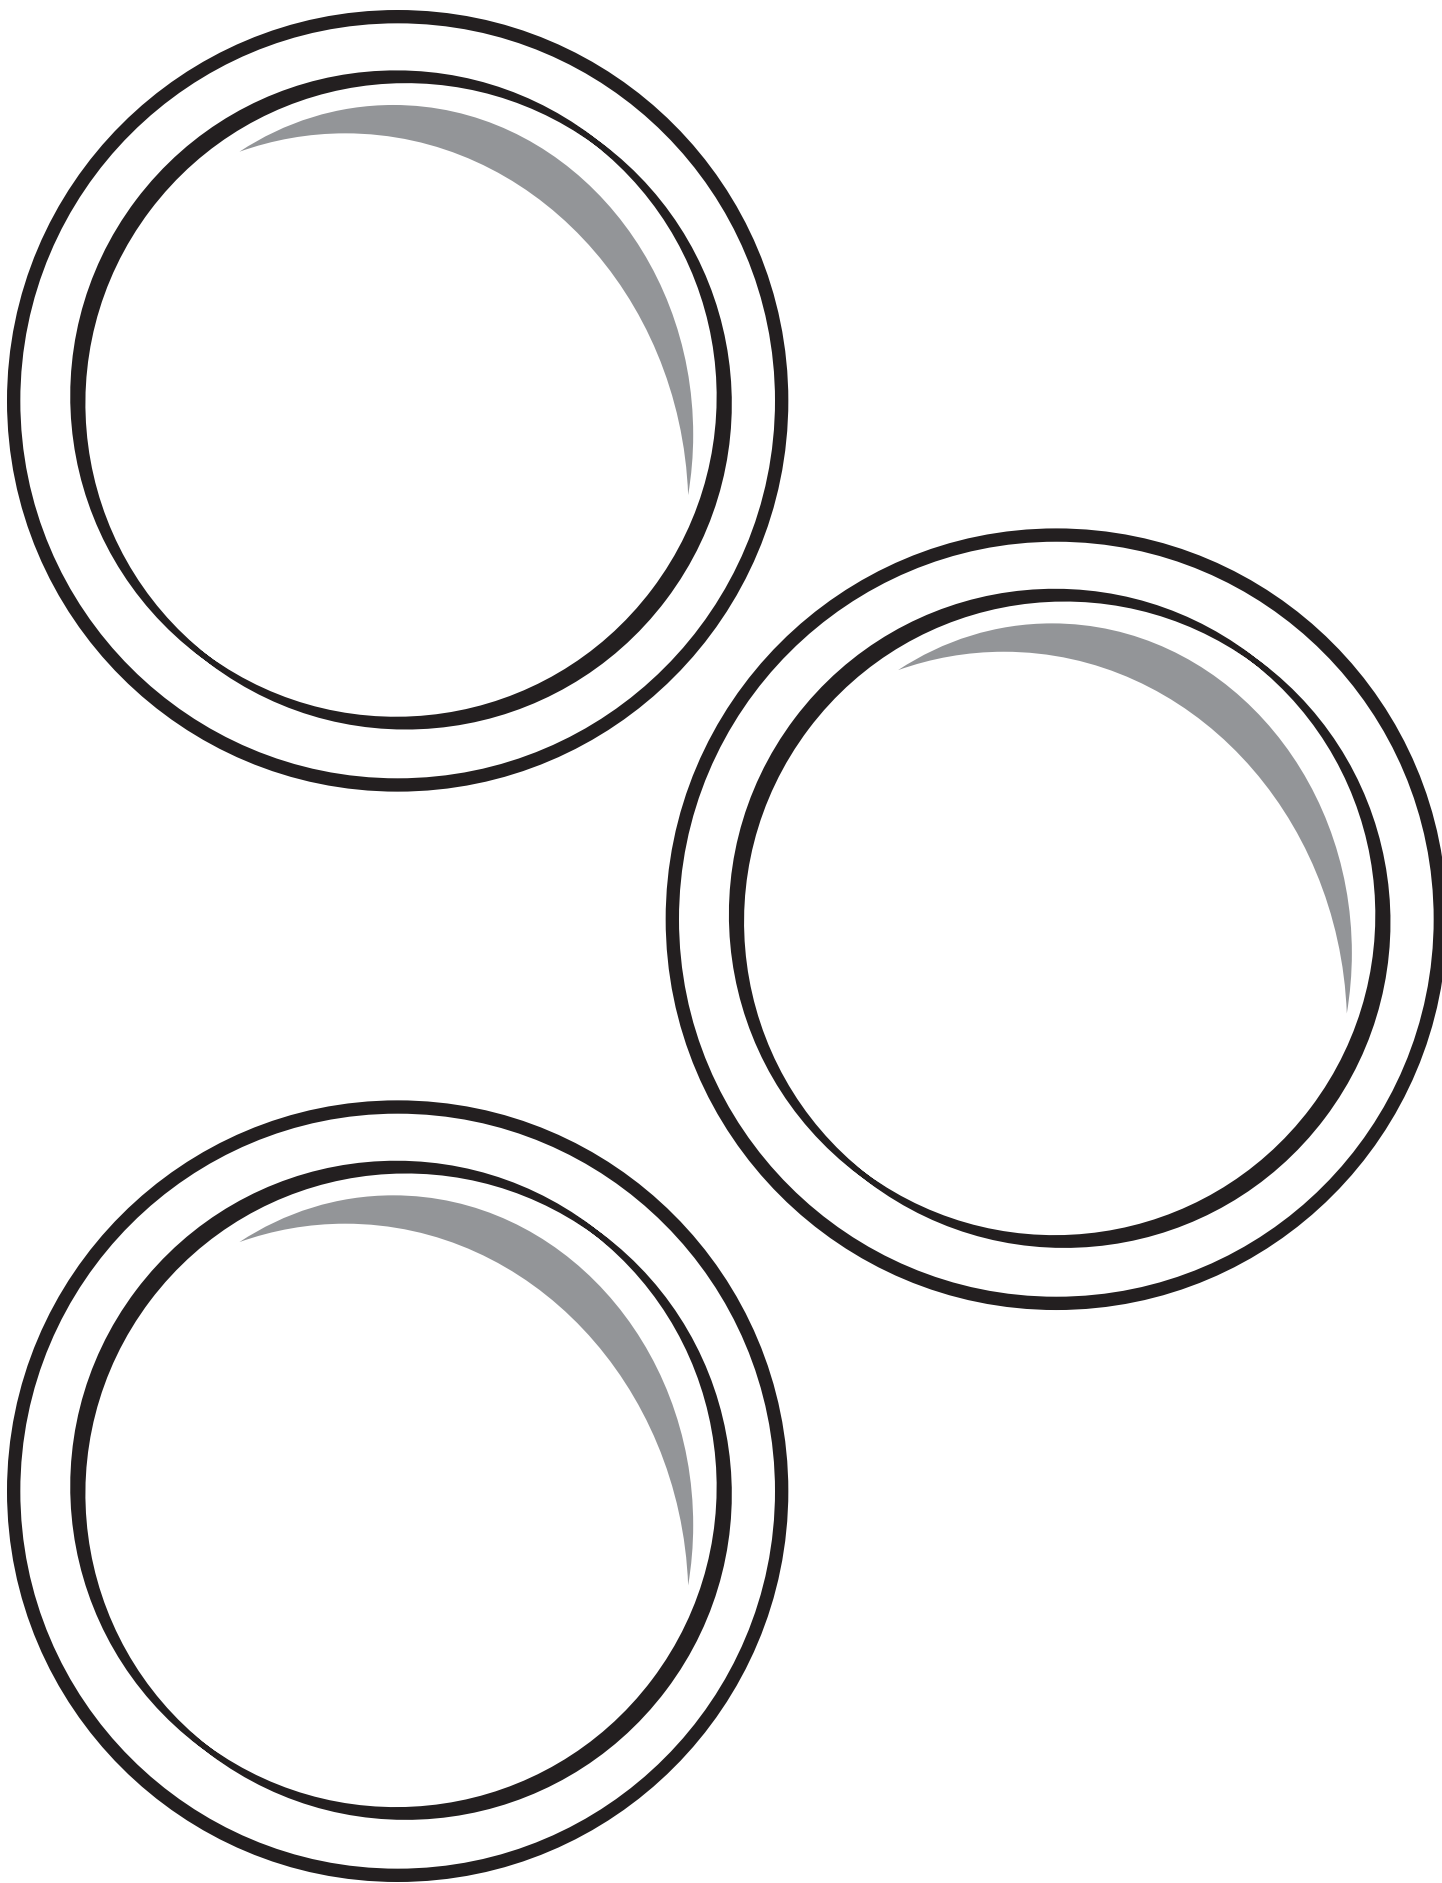

*NOTE: Have the students make these as a Come On In craft to use during the lesson time.*

## Materials

- ☐ Magnifier circles printed on card stock
- ☐ Crayons
- ☐ Craft sticks
- ☐ Tape

## Instructions

*Print and cut out one magnifier circle on card stock for each student. Have students color their magnifier circle and attach a craft stick to the back with tape. They will use them during lesson time.*

*Print and cut out one magnifier circle on card stock for each student.*
