## Suggested Discussion

We've been talking a lot about treasure today. If we had a treasure map and knew there was a chest of gold and silver, we would certainly go find it, wouldn't we? That would be exciting!

God wants us to be just as excited about learning from his Word. God is the only one who is truly wise, and he has shared his wisdom with us in the Bible. It's right there, all we have to do is look for it by reading and learning what God's Word has to say.
