Learn the Word

Here's our memory verse!
Can you teach it to your family?

Psalm 8:3-4 When I look at your heavens, the work of your fingers, the moon and the stars, which you have set in place, what is man that you are mindful of him, and the son of man that you care for him?

What You Heard *In the Word*

God spoke, and everything was created in just six days.

Ask your child these questions from today's lesson:

1. How did God create everything in the whole universe? With a hammer and paint and nails? *No! He spoke.*
2. How are people created different from the animals? *People are created in God's image.*
3. God loves people in a special way. Who did He send to die for sinners? *Jesus.*

Justin & Jessie

“Let’s be partners,” said Jessie. “Okay,” agreed Justin. They liked games and contests, and this sounded fun.

It’s picnic time in “Day Six—Chipmunks.” Justin and Jessie go on a search to find something created on each day of Creation Week. Will they find something for all six creation days?
