

Domino Effect

Materials

- ☐ One or more sets of dominoes

Instructions

Allow students to work together in groups to set up dominoes in rows then watch as they tip one over and the dominoes all come down.

Suggested Discussion

When Solomon sinned, it was like that first domino that tips over and hits the next one, which hits the next one. Sin is like that; it can go on and on affecting many other people. We saw how Solomon's sin affected his own life when his heart turned away from God; it affected his son's life when he could only be king over a small part of Israel; and it affected the whole kingdom, which was split in two!
