Here's our memory verse!
Can you say it five times fast?

Psalm 8:3-4

When I look at your
heavens, the work of your
fingers, the moon and the
stars, which you have set
in place, what is man that
you are mindful of him,
and the son of man that
you care for him?

What You Heard *In the Word*

- God made Adam from the dust of the ground, then He created Eve from Adam's rib.
- God's plan for marriage is one man and one woman for life!

Ask your child these questions from today's lesson:

1. Where does the idea of evolution say people came from? *People used to be animals—apes or monkeys that changed into people.*
2. Where does the Bible say people came from? *God created them.*
3. Who were the very first married people? *Adam and Eve*

Justin & Jessie

"Step, toss, step, toss," Jessie said to herself. She took a step then tossed a handful of pink and white rose petals. Jessie was nervous; she had a very important job as the flower girl. She had to make sure that she tossed the flower petals just right.

Jessie gets to be the flower girl in her aunt's wedding and learns about the very first wedding—ever—in "Rose Petals and the First Wedding."
