

Build a Temple

Materials

- ☐ Blocks or other building toys
- ☐ Optional: chairs, tables, blankets

Instructions

Allow students to work together in groups to build a temple from building block toys. Have each group show and tell about their creation.

Optional: have groups build temple “forts” using chairs, tables, blankets, or sheets then show and tell.

Suggested Discussion

You were able to make up some great temple buildings on your own. But the temple Solomon built was very special. God gave instructions to make it the way he wanted it. Many of the furnishings that went in the temple had special meanings to help the people understand that God would send a Savior, Jesus.
