Print one Text Circle for each student and enough Heart Cutouts on colored card stock for a set of 6 hearts in different colors and sizes per student.

Have students color and cut out their circle then glue it to the center of the paper plate. Next have them choose 6 hearts (in different colors and sizes) and cut them out.

Punch three holes in the bottom rim of the paper plate a few inches apart and tie a 16-inch length of ribbon through each hole. Turn the plate facedown and have students tape their hearts to the ribbons. Turn the plate over and decorate with stickers and/or glitter.

Punch a hole at the top of the plate and tie a loop of yarn or ribbon for a hanger.

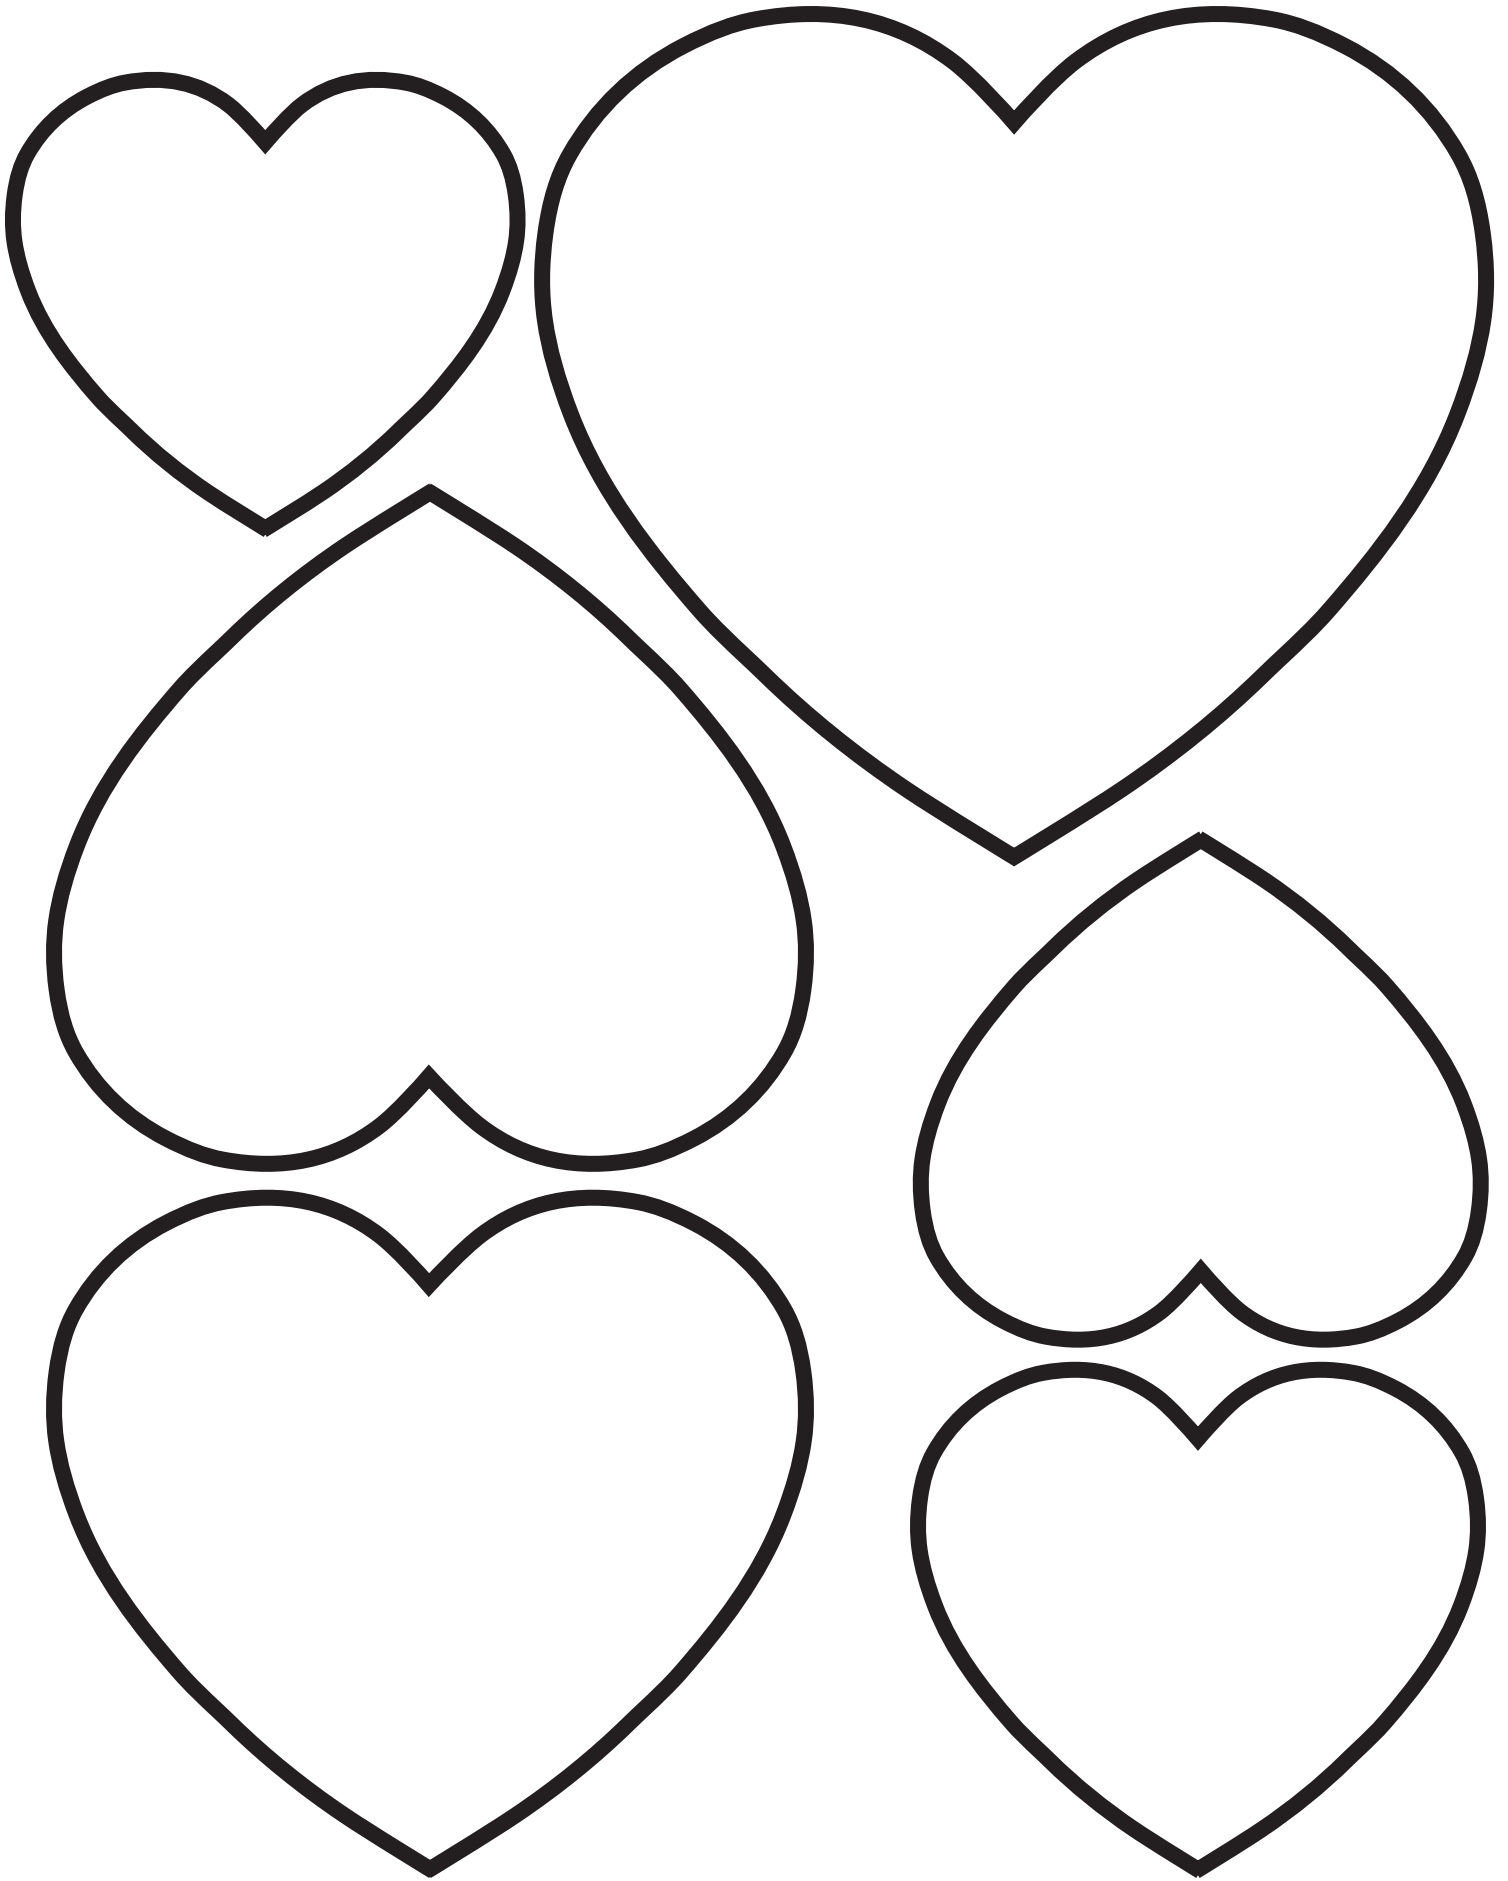

Suggested Discussion

Hang your mobile where you can see it every day to remind you of God's great love. We saw how God showed his love for Israel even though they kept sinning against him. Like Hosea forgave and loved Gomer, God did the same for Israel—and he will forgive each of us when we turn from our sins and put our trust in Jesus.
