

Praise! Class Poster

Materials

- ☐ Large sheet of butcher paper (white or light-colored)
- ☐ Crayons

Instructions

Attach the butcher paper to the lower half of a wall. Write: "We can praise God!" across the top. Allow students to draw and color a picture of themselves praising God anywhere on the sheet. Add drawings or stickers of created things, musical notes, etc.

Suggested Discussion

We learned about the book of Psalms in the Bible. Many of the psalms are songs that the people sang to worship God. We can praise God, too, when we sing to him and thank him for all he's done.
