What You Heard *In the Word*

- David had absolute faith that God would fight for him. He trusted God for the results of the battle. Saul's soldiers were afraid because they focused on Goliath and did not trust in God.
- David defeated Goliath with his sling, a stone, and the power of God.

OutWord *For Family Discussion*

What if your friend said he just couldn't believe the account of David and Goliath in the Bible? There is no such thing as giants!

What could you say?

The Bible is true, including the account of David and Goliath, because it is the Word of God. In the Bible, Goliath is described to be over nine feet tall. That is really tall! If I saw a man that size coming at me, I'd think of him as a giant. Even modern records show people known to be 7, 8, and 9 feet tall. God's Word is accurate when it records Goliath's height. He was a giant compared to David, and yet David killed him with a sling and a stone. That's what the Bible says, and I believe it. God doesn't lie!

Justin & Jessie

“Waaaaa! Jessie! Run away!”

Jessie was so startled by Emily's cries, she jumped right off the porch. Emily grabbed onto Jessie's shoulders, and the two of them ran around in circles, screaming, “Aaaa! Waaaa!”

“What is going on out here?” asked Mom as she came out and stood on the porch.

Are Emily and Jessie going crazy? What could they be so afraid of? Find out the answers in “Giant Bees and a Giant God.”
