Stewards of God's Creation

Genesis 1:26

Name

A Good Steward

Color the picture below. God wants us to take care of all His creation.

Learn the Word

Here's our memory verse!
Can you teach it to your family?

Psalm 8:3-4 When I look at your heavens, the work of your fingers, the moon and the stars, which you have set in place, what is man that you are mindful of him, and the son of man that you care for him?

What You Heard *In the Word*

God made man to rule over His creation. We have a responsibility to take care of God's creation and use it wisely.

Ask your child these questions from today's lesson:

1. Who does the earth and creation belong to? *God.*
2. What does a good steward do? *Takes care of something for someone.*
3. Why should we be good stewards of God's creation? *It pleases God.*

Justin & Jessie

Justin felt a tug on his line! He jerked up on his fishing pole and started reeling. "I think I got one!" he squealed.

Justin goes on his first fishing trip with his dad and learns about good stewardship along the way. But will Justin bring home any fish? Find out in "Justin's Great Catch."
