

# Sunshine Cookies

## Materials

- ☐ Undecorated round sugar cookies
- ☐ Yellow and/or orange frosting
- ☐ Candy corn
- ☐ Small, round candies
- ☐ Mini chocolate chips
- ☐ Red licorice laces cut into 2-inch lengths or red decorating gel
- ☐ Plastic knives
- ☐ Paper plates

## Instructions

*Pass out one cookie on a plate and a plastic knife to each student. Have each student frost their cookie then add round candies and mini chocolate chips for eyes and nose. Use a red licorice lace (or red decorating gel) to form a mouth. Place candy corn pieces around the edge for sun rays.*

## Suggested Discussion

**?** What happened in our lesson today that had to do with the sun? *God made the sun stand still.*

Joshua didn't want the enemy to hide when it got dark, so he prayed that God would make the sun stand still so he and his army could chase down the enemy. And God answered his prayer.

God is all-powerful! He created the sun, so he surely can make it stand still, too!
