

# Covenant Wall Hanger

## Materials

- ☐ Covenant Pictures printed on card stock (next page)
- ☐ Colored craft sticks
- ☐ Glue
- ☐ Crayons, markers, or colored pencils
- ☐ Yarn or ribbon, cut into 6-inch pieces
- ☐ Jewel stickers

## Instructions

*Print and cut one Covenant Picture on card stock for each student. Have students color the pictures then glue craft sticks onto the crossed lines in the middle to form a cross. (These will overlap a bit.)*

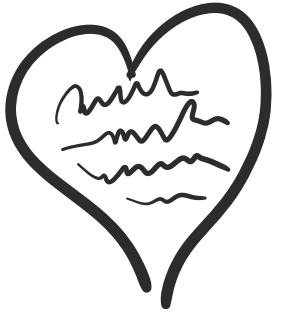

*Next, have students run a bead of glue across the top edge and place the two ends of a piece of yarn into the glue to form a loop for hanging. Place a craft stick across the top edge on top of the yarn. Attach a craft stick to the bottom edge, then glue two sticks on each side. (You may choose to overlap the sticks, or they can stick out on the ends a little.)*

*After the sticks are in place, decorate with jewel stickers. Allow glue to dry before hanging.*

## Suggested Discussion

When Jesus came, he brought a new covenant that promised the gift of salvation and a personal relationship with God. All those who put their trust in Jesus and turn from their sin will want to love the Lord and obey him from their heart.
