What You Heard *In the Word*

- God told David there would be trouble in his family as a consequence of David's sin with Bathsheba and killing Uriah.
- David's son Absalom tried to steal the throne from his father. The battle ended when Absalom was caught in a tree and killed by David's men.

Ask your child these questions from today's lesson:

1. Why did God say there would be trouble in David's family? *There would be consequences for David's sin with Bathsheba and killing Uriah.*
2. What did Absalom try to take from his father, King David? *The throne, his kingdom.*
3. What happened to Absalom in the forest? *His hair/neck caught in a tree and his mule ran away, leaving him hanging helplessly. He was killed by David's men.*

Memory Verse
