

Create a Psalm

Materials

- ☐ Activity sheets (following page)
- ☐ Colored pencils or markers

Instructions

Print one activity sheet for each student or group of two. Have students use the Word Bank or their own words to fill in the blanks and create their own psalm of praise. Then have them illustrate their psalm in the box below.

Suggested Discussion

- ?** Who would like to read their psalm of praise? Allow students to share their psalms and show their illustrations.

The word psalm means “praise.” And we’ve learned today that God deserves our praise all the time. Praising God is part of worship. We can use the psalms from the Bible to help us worship him, and we can use our own words to praise him for who he is and for all he’s done.

Name _____
