

Fiery Chariots

Materials

- ☐ Chariot picture (next page)
- ☐ Crayons or markers
- ☐ Yellow and orange tissue paper
- ☐ Glue

Instructions

Print one chariot picture for each student. Have the students color the picture then glue tissue paper around the horses and chariot to resemble fire.

Suggested Discussion

The Syrian army came and surrounded the city where Elisha was staying. It scared Elisha's servant when he saw all the enemy soldiers with their chariots outside the city walls.

But Elisha wasn't afraid. He knew God's army was all around him. Elisha prayed that his servant would be able to see the angel army, too—and he did! God showed the two men that he was protecting them with horses and fiery chariots.

God protected Elisha.
