

Joseph's Coat

Materials

- ☐ Coat pattern
- ☐ Felt in a variety of colors
- ☐ Scissors
- ☐ Small plastic bags

Instructions

Print and cut out one coat pattern. Use the pattern to trace and cut out one coat from felt for each student. Or let the students do the cutting.

Have students cut out a variety of shapes from different colors of felt (stripes, circles, triangles, etc.) then stick the shapes onto the felt coat to make their own "coat of many colors." No glue needed! The felt should stick to itself and peel up again for another use.

Provide one small bag for each student to take the coat and felt pieces home.

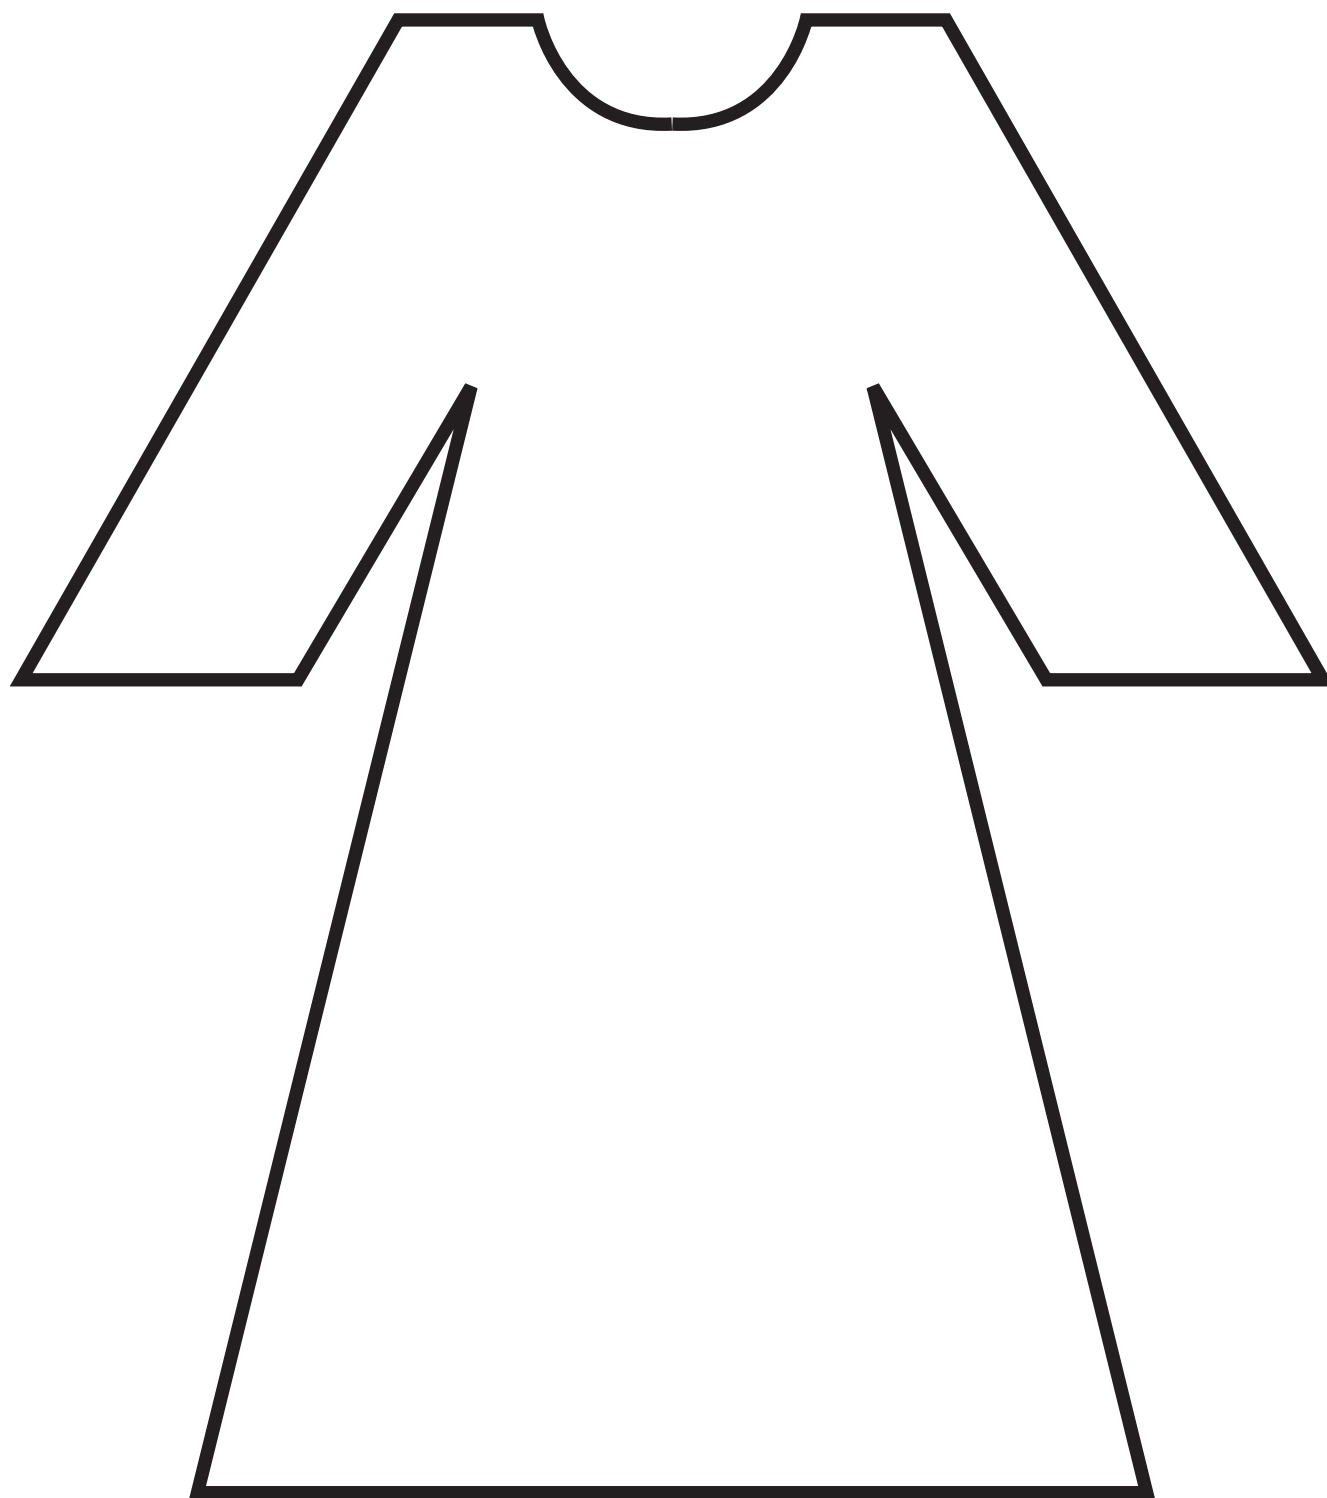

Suggested Discussion

Jacob loved Joseph more than his other sons, and he treated Joseph as his favorite. One of the special things he did for Joseph was to give him a coat with many colors in it.

- ?** We don't know exactly which colors were in Joseph's coat. What are your favorite colors?
Allow students to name some colors.

Use the colorful coats you made to remember that God was in control of everything that happened to Joseph.

Print and cut out one pattern.
